Personality

Extraversion (E)
Tinashe is an animated and outgoing person, especially when she is surrounded by her friends. She loves talking and working out her ideas out loud rather than thinking inside her head.

Intuition (N)
Tinashe likes to imagine all the various possibilities rather than focusing on reality. To her, the sky is the limit and there are endless options.

Feeling (F)
Tinashe likes to see the best in others, rather than pointing out their flaws and she is a warm person.

Perceiving (P)
Tinashe would rather leave her options open as opposed to being locked down to one idea. To her, rules and deadlines are bendable. She improvises a lot and comes up with ideas as she goes.

> "Worrying gets you no where. I know that everything will work itself out in the end."

About
Tinashe is a cheerful person who attracts positive things in her life. She has a love for different cultures such as Japanese, Korean, and Spanish culture. Tinashe enjoys watching Japanese anime, drawing Japanese anime, reading Japanes manga, and listening to Japanese songs. For Korean culture she enjoys watching Kdramas, she loves their very unique and creative fashion sense, and listening to Kpop music (and secretly knows that she is going to marry her favorite idol, Taeyang, in the future). With Spanish culture, Tinashe enjoys listening and dancing to the music. She loves the language and plans to learn how to fluently speak Spanish. She also loves Spain and plans on living there in the future. Tinashe balances out between being a homebody and going out. When she is at home she spends her time watching Netflix, or drawing, or painting, or dancing. She currently attends Quinnipiac University and is majoring in graphic design and minoring in Spanish.
